Oh, one more thing... Come to the San Miguel Chamber of Commerce Board Meeting on Tuesday, Oct. 2<sup>nd</sup> at the San Miguel Senior Center at 6:30 pm and tell us what you'd like to see grow and develop in San Miguel.

In September, Linda Mora, past owner of the Country Diner, presented the Board with a great idea: having an Antiques and Collectibles Community Sale

(which had originally been organized by the San Miguel Business Association in the 90's) and took place on Mission Street. Now, because of her idea, we're discussing reprising this community event on Mission Street in May of 2019!

You could be the next one to bring a great idea to life in San Miguel. Come to the SMCC Board Meeting on 10/2/18 at the Senior Center at 6:30 and share!

**A View of Last Year's San Miguel Cruise Night and Car Show**

San Miguel Celebrated Labor Day 2018 with a grand showcase of over 200 cars, from "Rat-rods" to beautifully reconditioned and elegantly decked out models from the 20's to the present. This was by every account a feast to the car enthusiasts' eyes!

Carl and Cheryl Mumford, husband and wife team, along with support from Mike and Miki Sanders and other active supporters of the Car Show Committee of the SMCC made sure that each of these events fulfilled the best of all expectations for both the Car Shows and the Vendors. This year reinforced the fact that consistent efforts by members of an SMCC team can create joy in San Miguel.
